The Honorable Ronald Reagan
President of the United States
The White House
Washington, D.C. 20500

Dear Mr. President:

On October 5, 1981 you signed a Bill which made RAOUL WALLENBERG an Honorary Citizen of the United States.

In April of this year, an estimated 50,000,000 Americans watched the NBC-TV min-series which dramatized Wallenberg's rescue mission to Budapest, at the behest of the then President Franklin D. Roosevelt via Sweden.

There is now a huge public informed about Mr. Wallenberg's accomplishments and his un-resolved-status as a Soviet prisoner for over 40 years.

Now that there is a new generation in power in the U.S.S.R., made up of men who have had no previous connection with the decisions made over the years to continue holding this courageous man and to respond with silence or lies regarding queries from many concerned individuals, this may be the best time to urge the Soviet government to resolve the WALLENBERG CASE, either by freeing him, or by furnishing conclusive proof of his death to his family and the Swedish government, as well as to you Mr President who made him an Honorary Citizen.

This is to urge you to take up this matter with Mr. Gorbachev in November. Raoul Wallenberg, an American citizen merits this effort on the part of our government who financed his mission to Budapest in 1944/5 through the War Refugee Board.

Thank you, Mr President, for your ongoing interest in the Wallenberg case and in advance for your attention to this matter.

Respectfully,
